

Landfills Permitted for Disposal of Friable Asbestos in the State of Virginia

- Maplewood Recycling and Waste Disposal Facility - Amelia County (804) 561-5787
- BFI King and Queen Landfill – King and Queen County (804) 226-6197
- First Piedmont Industrial Landfill – Pittsylvania County (804) 432-0211
- Smith Gap Regional Landfill – Roanoke County (540) 857-5050

Regulated asbestos-containing waste material shall be disposed in a special purpose landfill or in a designated area of a sanitary landfill (9 VAC 20-80-640.D.1). A sanitary landfill that is not permitted to accept friable asbestos may request to accept it as a special waste.
